Nathan's Garage Sale Campaign

Nathan's Garage Sale is a year-round national fundraising program to raise money for Sunshine Dream Programs. Garage sale hosts hold a garage sale at their home, community center, school, or place of business to raise funds to help Nathan pay it forward.

Launched in 2016, Nathan's Garage Sale is a program that directly highlights the power of a dream.

As a result of having his dream come true and participating in a DreamLift, Sunshine alumnus Nathan Manners wanted to raise funds to help more children realize their dreams too.

Nathan hosted his first garage sale in 2015 raising an amazing \$1,300. He has created special relationships with his community through sharing his story and has since raised a total of \$6,950 through his sales. Since Nathan's first sale in 2015, Sunshine has raised over \$18,000 through this campaign.

Sunshine looks forward to engaging more dream recipients in hosting sales in their community beginning in Spring 2019.
